- If you pay by bank transfer, or VISA the total payment must be made 15 days before the beginning of the Spanish course. If you pay the awaiting payment in cash you must pay the first day of the Spanish course at the Spanish language schools.
- Course **prices** vary depending on the number of weeks, having significant discounts for long term courses. The discounts will only be applied when the total amount of the Spanish Programme is paid in advance. If the student wants to pay every 2 weeks, for example, she/he has to calculate the price of the Spanish course according to the price of the course for 2 weeks.
- All **bank charges** of associated with the deposit or the Spanish Programme payment must be paid for by the student. If there is any mistake in the deposit, it will be regularised in the total invoice of the Spanish course.
- Cancellation:**  
Once enrolled, there are no refunds unless you purchase the cancellation insurance. Please read the terms and conditions for the circumstances included and excluded by the policy.  
It is necessary to contract a cancellation insurance for each invoice (i.e. one for the deposit and another for the rest of the payment).  
Without the cancellation insurance and if you have paid the deposit, there are no refunds. If a participant decides to travel during the period of the reservation and he/she does not attend some lessons, activities or other contracted services, no refund will be given.  
After the Spanish program has started, no refund will be given in case of the participant withdrawing for family, personal or disciplinary reasons before the end of the program.  
If the programme is cancelled by ZADOR, the full amount received will be refunded.  
Any complaint about the Spanish course should be made during the course period to our staff. In the case of a legal action, the student and Zador Spanish language schools will be subject to the Spanish court in Alicante or in Álava (for Spanish courses in Vitoria). Any other court system will be renounced.
